MARBLE

Bianco Colonnata Petra

Bianco Colonnata Petra Marble is a variation of the traditional Bianco Colonnata, from CAVA Rochas. Characterized by its pure white and gray tones with contrasting black veins, this marble is ideal for dynamic and striking environments.

- **COLORS**

Gray, White and black dots.

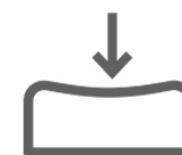

- **COMPOSITION**

Dolomite, quartz and calcite.

- **ORIGIN**

Aré Quarry, Rio de Janeiro.

Bianco Colonnata is a tribute to the rich and traditional delicacy of the Italian Alps. Its appearance is reminiscent of Lardo di Colonnata, ‘pancetta di maiale’ matured in marble.
